Our Day Programs Serve the Individual

Lifesteps believes all individuals with intellectual/developmental disabilities are unique and deserve the personalized care that helps them be the best that they can be. Since 1980, Lifesteps has provided programs with core values of dignity, respect, and compassion to these individuals. The Agency endeavors to earn the trust of the individuals, their families, and loved ones by providing the highest quality care and life assistance.

Lifesteps' team of Direct Care Professionals, including Instructor/Program Specialists and Instructor Assistants, foster self-sufficiency in daily living, enabling individuals to live in a less-restrictive environment. Consumers learn initiative, resourcefulness, and self-reliance by association with typical peers and other participants with intellectual/developmental disabilities in the program. The program also focuses on teaching individuals how to protect themselves against neglect, abuse, or exploitation. Lifesteps promotes integration into the community so that individuals can *live life to the fullest*.

Participants must be diagnosed with an intellectual/developmental disability. Private pay arrangements are available.

Basic Education & Socialization Training - BEST

Lifesteps' Adult Training Facilities in Beaver and Butler Counties are known as the Basic Education and Socialization Training program, or BEST. Open weekdays, the program benefits individuals who require vocational support to succeed in a work environment or who have behavioral challenges that require support from a more structured program. Programs such as Academics, Leisure Skills Training, Music Therapy, Art, and Vocational/Sensory Awareness help consumers work towards individualized goals.

Community OutReach - COR

Individuals living in Armstrong, Indiana, and Washington counties have the opportunity to participate in Lifesteps' Community OutReach day programs. The program is structured with a greater emphasis on community integration and features activities such as swimming, bowling, shopping, walks, outdoor experiences, library visits, and more. Individuals participate in community outings based on personal goals and preferences.
