## Lifesteps Mission

Helping individuals and families with life's changing needs by developing programs and providing services which will improve their quality of life.

## Ways To Support…

### Join Lifesteps' Team

Start a rewarding career helping those in need.

### Volunteer

Help Lifesteps fulfill its mission. Volunteers at Lifesteps can contribute time and talent in areas such as:

- program support
- special events and fundraising
- administrative and operations

Both one-time and ongoing volunteer opportunities are available.

### Invest In Lifesteps Mission

Supporting the Agency through community investment opportunities such as monetary donations, sponsorships, and in-kind donations helps change lives.

*Donations to Lifesteps, through the Lifesteps Family Caring Fund, help support programs and services not otherwise reimbursed by federal, state, or county grants, contracts, etc.*

Lifesteps
Helping Along Life's Journey

*Providing Care Along Life's Journey…*

Since 1923

## Lifesteps Vision

Improve the quality of life for members of our communities.

## About Us…

**Lifesteps is proud to be an independent, nonprofit, human services agency…**
assisting families with challenges at various stages in life since 1923.

**Lifesteps works to meet the needs of our community…**
by helping children, families, older adults, and individuals with intellectual, developmental, or physical disabilities lead better lives — offering care and support through family-focused services and programs.

**The Agency believes that learning is continual…**
The Lifesteps Team works to provide individualized care and education in a safe and caring environment — helping individuals of all ages reach their fullest potential.

**Lifesteps' staff truly care…**
about children and adults, each other, and about the communities in which we serve.

# Lifesteps… providing care along life's journey since 1923

## Children

*Children are the future…and a child's early learning experience is the foundation for building that future.*

**Lifesteps Early Education Centers** are designed to give children with and without special needs the very best start in life. Located in Butler and Beaver counties, offering inclusive:

- Year-Round Child Care – Keystone STARS quality rated programs
- Preschool
- Summer Discovery
- Kindergarten Readiness programs

Lifesteps is also a proud provider of ***Pennsylvania's Pre-K Counts Program*** which provides free, high-quality preschool for qualifying families.

In addition, ***Lifesteps Early Head Start Program*** in Beaver County is available to eligible low-income parents and families with children birth to age 3 — helping children to get the best start possible.

Lifesteps' staff promotes family partnerships to foster continual learning. Research shows that the quality of a child's early learning experience has a great impact on learning and school success.

*The Lifesteps Team is committed to helping children grow up healthy, safe, and ready to learn… a top priority at Lifesteps Early Education Centers.*

## Families

*Along life's journey, families may experience a wide range of challenges that can impact their lives.*

Services offered include:

- Child Check – Developmental & Autism Screenings and Education
- Crisis Intervention Services
- Home-Based Support
- Families Forever – seminar for divided families
- Family Care Mobile Resource Center

Programs are designed to meet the needs of families, working to build skills and independence.

*Lifesteps is helping to build strong families.*

## Serving All Ages

*Lifesteps Speech & Behavioral Services teams often work together to optimize therapies and results.*

*Speech & Language Services* — Provide communication strategies for children and adults to build essential skills required to communicate clearly and confidently.

*Behavioral Services* — Lifesteps professionals include Board-Certified Behavior Analysts — who provide tools to help shape positive behaviors for both children and adults.

## Adults with Intellectual, Developmental, & Physical Disabilities

Since 1980, Lifesteps has been providing services for Adults with Intellectual/Developmental Disabilities. Programs include:

- Adult Day Programs
- Residential Living/Community Homes

These services are just some of the ways…

*Lifesteps professionals help individuals live to their fullest potential.*

Lifesteps' staff encourage ongoing learning and socialization to foster independence in daily living activities and community involvement. Staff work with each consumer to reach individualized goals… *and provide care every day with core values of dignity, respect, and compassion.*

## Employment Services

Lifesteps offers a variety of employment services for people with disabilities such as:

- Skills Assessment
- Supported Employment
- Job Coaching
- Work Force Development

## Seniors

Lifesteps' medically-monitored day program in Butler has been providing care and support for seniors since 1988. Lifesteps Adult Day Health Services meets the state requirements of an Enhanced Program, providing a nutritious meal each day as well as extended hours.

*Social interaction…daily health care needs… a nutritious meal…activities…a safe, comfortable, relaxed setting…Alzheimer's care and support… are just a few of the services offered.*

Lifesteps Adult Day Health Services are offered at a fraction of the cost of assisted living or nursing care — providing an affordable option for loved ones who are not ready for 24-hour care — helping to keep seniors in their home and utilizing the health care providers they know and trust.

*As we age, unexpected needs may arise. It is a time of uncertainty… not knowing what the future holds for a loved one.*

*Lifesteps can help…*

If Adult Day Health Services is not right for your loved one, Lifesteps professionals will discuss other options to meet your needs.
