Summer Discovery Program*

Engaging structured summer activities at Lifesteps Early Education Centers in Beaver & Butler Counties for children ages 3 to 9 years — helping children grow and develop in a fun and focused environment.

- New and exciting experiences each year, centered around a weekly or summer-long theme
- Supports learning as a continuous process for young children
- Offers needed respite for parents and caregivers

**Includes a collaborative effort with the Watson Institute LEAP program*

About Lifesteps…

At Lifesteps Early Education Centers the safety and well-being of children are top priority. Lifesteps provides early learning services such as Child Care, Preschool and Summer Discovery.

Each child's development is nurtured in an inclusive setting, helping children of all abilities learn and grow to their fullest potential.

Child Care

- Serving children ages 6 weeks to Kindergarten
- Developmentally appropriate activities designed to promote self-esteem and independence
- Supervised & secure outdoor play areas
- Subsidized care & sibling discounts
- Preschool curriculum and quality early learning experiences included for all enrolled children
- Free Developmental & Autism screenings
- *Lifesteps is licensed by the PA Department of Human Services*

As a Keystone STARS participant, Lifesteps has earned as high as a 4 STAR quality rating.

Preschool

Private Pay Preschool

- Encourages children to develop capabilities & interests
  – At their own pace
  – According to their individual needs
- Developmentally appropriate materials & experiences
- Half and full day sessions
- Scholarships available
- *Lifesteps is licensed as Private Academic Preschools*

PA Pre-K Counts

- Free preschool for children ages 3 to 4 years with qualifying annual household income
- Additional risk factors considered

Watson Institute LEAP Preschool*

- Inclusive model for preschool children with Autism Spectrum Disorder and their typical peers
- High quality early education
- Developmentally appropriate practices focused on achieving goals through play and interactions

**A collaborative effort with the Watson Institute*

Continued research demonstrates that the quality of a child's early learning experience has a great impact on their future learning and school success.
