Individualized Vocational Planning

Vocational Evaluation

Develop understanding of individual strengths, talents, and interests as well as determine areas in need of support or growth.

Community-Based Work Assessment

Observe individual at an actual job site for vocational planning purposes.

Skills Development

Develop required job skills through further education/vocational opportunities, on-the-job training, or job coaching.

Performance Based Job Coaching

Assist individuals with disabilities in gaining and maintaining competitive employment.

Supported Employment

Assist individuals in finding a job and provide on-the-job support.
