Transition Program...

The Next Step

Skills for Living...

Productive and Meaningful Lives

Lifesteps Transition Program is designed for high school students and young adults with intellectual/developmental disabilities, including autism, to prepare them to live as independently as possible.

The program incorporates three primary areas:

- **Independent Living Skills**
- **Vocational & Employment Skills**
- **On-Going Education/Training**

Personalized Services

Lifesteps Transition Program works to help each participant reach their unique personal potential and develop pre-vocational and self-advocacy skills.

Independent Living Skills

- Housekeeping and household budgeting
- Improving functional math and reading skills
- Managing healthcare needs
- Leisure activities
- Self advocacy

Vocational & Employment Skills

- Employment skill development
- Career management
- Job interviewing skills
- Community based work experience

On-Going Education/Training

Life-long learning is a philosophical foundation for the program to encourage participants to pursue their personal areas of interest.
